Dear Mr Steffensen

Thank you for turning your respect into action by supporting our work with a kind donation of £100.00. Your gift will go a long way in helping the Legion continue to provide the care and support veterans, young and old, who risk their lives to protect our country deserve.

Then in the Battle of Britain, as in now in Afghanistan, many of the Service people willing to put their lives in danger are in their late teens and early twenties. Some will need our support for a lifetime. So thank you for helping us raise the urgent funds needed by the Legion to maintain the new Personnel Recovery Centres which will ensure that each severely wounded Service man or woman receives the best in care for as long as they need it.

Your generosity will also help us ensure that our Poppy Care homes continue to offer the best care and support for our most vulnerable older veterans with dementia needs. Your gift will help us to complete the dementia unit at Galanos House that will provide 24-hour specialist care.

In appreciation of your generosity please accept a souvenir edition of our Poppy Press newsletter commemorating the 70th anniversary of the Battle of Britain. We hope you enjoy reading about the true life stories behind that momentous victory which changed the course of our nation's history.

On behalf of the ex-Service people who will benefit from your help, thank you once again. We are very grateful for your support.

Yours sincerely

Russell Thompson OBE  
Director of National Events and Fundraising  
The Royal British Legion
