Dear Mr Steffensen,

Thank you so much for your very kind gift of £250 towards the work of The Royal British Legion. We really appreciate that you are helping us provide members of the Armed Forces family, both young and old, with the care and support they deserve.

It is only thanks to gifts such as yours that we are able to be there for those who serve and their families when they need us. Since 2003 the Legion has helped over 10,000 veterans of the conflicts in Iraq and Afghanistan with direct financial assistance. Last year we gave 5,500 people of all ages a break in one of our seaside centres to help them recover from illness, bereavement or other events. We also continue to care for older veterans in our Poppy Homes, through Poppy Calls visits that help them remain independent in their own homes and through our new Health and Wellbeing projects, to give just a few examples.

If you would ever like more information about any of our projects, or if you have any queries about your own donation, please don't hesitate to contact me on 020 3465 9350 or [jcramer@britishlegion.org.uk](mailto:jcramer@britishlegion.org.uk)

Thank you, once again, for choosing to support The Royal British Legion.

Yours sincerely

Jenny Cramer
